Administration Report of the Kolar Gold Field Sanitary Board, for the year 1919-1920

****

New Bye - Laws and Rules framed or existing ones amended :-

No new Bye - Laws were framed during the year nor were the existing ones amended.

b. Constitution of the Board.

The Board consisted of 7 Ex-Officio and 8 Non-Official members as per Government Notification No. 7075 L.B. 185-12-3 dated the 22nd March 1916.

c. Meetings and Attendance :-

Six Ordinary and two special Meetings were held during the year. Of the two special Meetings, one was held in September 1919 for adopting the Administration Report of the previous official year and the other in November 1919 for considering the expenses incurred in connection with the Peace Celebrations.

The attendance at the meetings was 4.5 of Officials and 6.12 of Non-Officials giving a percentage of 66.26 and 76.5 respectively against 76.78 and 71.87 of last year.

No Meeting had to be put off for want of a quorum.

Remarks about the interest evinced by the Non-Official Members :-

The co-operation of the Non-Official members of the Board was as hearty and cordial as ever.

d. Measures of initiative or development:-

Nil.

e. Relations of the Boards with one another :- Nil.

f. Working of the Union-Panchayets :- Nil.

iii. Financial Condition :- The opening Balance for the year was Rs. 28,319 exclusive of the sum of Rs. 21,319 in the Mysore Bank and the War Loan.

Income :- The total receipt under service - heads was Rs. 76,735 against Rs. 91,146, the fall being mainly due to the non-receipt - of the Excise Cess for the year 1919-20, - estimated at Rs. 15,000 during the year.

Local Cess :- The 76 percent of the Local Cess credited to the funds of the Board during the year of report was Rs. 2,112 against Rs. 1,608 of the previous year.

Excise Cess :- The cess due for the years 1918-19 and 1919-20 could not be credited before June 1920, since the amount was not intimated by the Comptroller in time.

Special Sanitary Cess :- A sum of Rs. 117 was credited to the Board in the Treasury Pass Book against Rs. 1,112 of last year or a decrease of Rs. 995 during the year. The Demand, Collection and Balance statement furnished by the Amildar whows that Rs. 1,026-10-0 was collected under this head. The Amildar has been requested to explain the difference and afford credit for the balance in the Treasury Pass Book.

House-Tax including Mohatarfa and Tax on vacant sites :-

House-Tax including Mohatarfa and Tax on vacant sites :- A sum of Rs. 9,754 was credited in the Treasury Pass Book under this head - against Rs. 9,783 of last year. But according to the figures furnished by the Amildar in the Demand, Collection and - Balance statement, the sum collected under this head is shown as Rs. 11,960. He has been requested to assign reasons for the difference and give credit to the Board for the balance of the amount due.

Markets :- The total collections under this head came to Rs. 29,409 against Rs. 29,138 of the previous year.

Slaughter Houses :- The realizations under this head were Rs. 11,351 , those of the preceding year being Rs. 9,875. The apparent increase is due to the classification of the monthly stall rents being brought under this head. A sum of Rs. 135 realized by the levy of 4 annas per head of pig - slaughtered as per G.O. No. 5089 L.B. 58-15-3 dated the 12th January has been included in t he above sum.

Rents from Cooly Colonies :- The collections under this head amounted to Rs. 9,891 or Rs. 2,119 more than that of the year previous due to closer supervision over the work of the Rent - Collectors and active assistance rendered by the Circle Sanitary Inspectors.

License Fees :- The License fees levied on dogs,

dogs, shops and hackney carriages were Rs. 2,218 as against Rs. 2,545 of the year preceding. The fall is due to the late remittance i.e. after the close of the financial year of about Rs. 370 to this Office on dog licenses issued by some of the Companies on behalf of the Board.

Rents from other buildings and lands :-

There was a fall of Rs. 3,244 under this head, the receipts being Rs. 4,871 against Rs. 8,115 of the year preceding. The decrease is accounted for by the - transfer of certain items of revenue, - wrongly credited under this head in the previous year to the proper heads i.e. to markets and slaughter houses.

Other items including investments :-

The income under this head was Rs. 5,105 against 2,544 of last year. The contribution of Rs. 500 by Government for the Peace Celebrations, the crediting to the funds of the Board of Rs. 717 being the amount of the lapsed cheques and the receipt of Rs. 800 the arrears of interest on the War Loan bond, account for the increase.

Public Debt :-

Deposits	594
Advances	8,917
Total	9,511

The receipts amounted to Rs. 9,511 during the year as per particulars in the margin. A sum of Rs. 7,617 under advances was adjusted by the Water Works Department for work done in the previous year.

Demand, Collection and Balance :-

Local Cess :- The demand under Local Cess was Rs. 2,612 which with the arrears outstanding at the commencement of the year amounted to Rs. 2,676. A sum of Rs. - 2,112 including arrears was collected leaving a balance of Rs. 564 at the - end of the year.

House-Tax including Mohatarfa:- The arrears at the commencement of the year were Rs. 5,866 which with the current demand totalled Rs. 18,531. The collections including those of previous years were Rs. 9,754 leaving Rs. 8,777 as arrears at the close of the year. The collections were only 52.6% of the total demand.

Special Sanitary Cess :- Only a sum of Rs. 117 was credited to the Board under this head and the arrears at the close of the year amounted to Rs. 1,334.

The Demand, Collection and Balance statement furnished by the Amildar shows that the collections were - certainly more than those adopted here The difference is probably due to the erroneous credit of the Board's dues, to other heads in the Treasury Accounts. The Amildar has been requested to explain the cause of difference and adjust the accounts.

Collection by the Sanitary Board Agency :- The arrears outstanding were Rs

Rs. 1,580 which with the current demand of Rs. 7,669 aggregated Rs. 9,249. A sum of Rs. 8,713 was collected Rs. 191 being remitted as irrecoverable. The arrear at the end of the year A was Rs. 345 or 3.73 of the total demand.

Expenditure :-

The total expenditure of the Board was Rs. 99,884 against Rs. 93,569 of last year, the increase being due to Rs. 5,000 having been incurred in connection with the Peace Celebration expenses in December last.

To this might be added a sum of Rs. 12,849 as detailed in the margin under Public Debt heads giving a gross expenditure of Rs. 1,12,733 during the year under report. The Grain Compensation and War allowances were paid to the subordinates of the Board throughout the year.

Advances	10,610
Deposits	859
Investments	1,380.

Closing Balance :-

The closing balance at the end of the year verified with the Treasury Pass Book was Rs. 1,832. The low closing balance is due to the non-receipt of the Excise Cess for the years 1918-1919 and 1919-20 before the end of June 1920. The Excise Cess for the two years is estimated to be Rs. 30,000. This with the sum of Rs. 10,000 in the War Loan and Rs. 11,884 in the Mysore Bank as fixed deposit aggregating Rs. 21,884 brings in an additional sum of Rs. 51,884 to the credit of the Board at

at the end of the year.

A sum of Rs. 25,383 has since been ordered to be credited by the Comptroller , to the funds of the Board as Excise Cess. The Excise Cess for the last quarter of the year of report is pending adjustment.

F. Fresh Imposts :- Nil.

G. Loans :- The sum of Rs. 10,000 remained in the War Loan as in the previous years.

Public Works :- The details of Public works - carried out by the Sanitary Board - Agency are given in Appendix IX.

The outlay on repairs to the existing roads of the Sanitary Board came to Rs. 7,650. The total expenditure for public works (both original and repairs) amounted to Rs. 16,598 - against Rs. 16,695 of last year. There was a lapse of Rs. 12,002 under this head. This is accounted for by the non-execution of the following works :-

B.I. Original.

1. Budgur Road	1,000
2. Wells	1,500
3. Compensation for lands	500
4. Construction of quarters for Health Office Officials.	2,500
5. Model eating house	1,000

6. Other minor works	1,026
Total.	7,526

B.II. Repairs.

7. Roads	1,250
Grand Total.	8,776

The estimate for the Budgur road is still under correspondence with the Public Works Department. The other works were not undertaken as they were not found to be pressing. There was a saving of Rs. 1,000 under item 5 since only Rs. 1,960 were required for the purpose. Deducting a saving of Rs. 8,781 on completed and incomplete works, the actual lapse was 8,221 or 32.24 percent. But this amount came in handy for the extra charge of Rs. 5,000 incurred in connection with the Peace Celebrations; other-wise the Board would have had to encroach on their reserve balances for the purpose.

Establishment charges under Public Works :- The amount incurred under this head was Rs. 652 against Rs. 623 of last year the increase being due to the payment of War and Grain allowances throughout the year. The percentage of the cost incurred was 3.92.

Inter - village roads and other communications :- Nil.

D. Water Supply and maintenance:- A sum of Rs. 7,617 was adjusted by the Water Works Department on account of water supply in previous years. Rs. 8,910 advanced towards the water supply for the year 1919-20 has yet to be adjusted by it. The water supply was as usual from the Bethamangala reservoir.

Public Health and Vital Statistics :- The total number of births was 3,026 against 2,734 of last year or an increase of 292 while the deaths were 2,805 against 5,504 or a decrease of 2,699.

Conservancy and Sanitation :-

A. Working of the Sanitary Rules :- Three cases involving 3 persons were pending at the commencement of the year and 131 cases involving 132 persons were instituted during the year. 45 cases against 45 persons were withdrawn as the parties in the mean - while complied with the Rules, 83 persons involved in 82 cases were convicted and 2 cases were acquitted. The whereabouts of 2 persons in 2 cases were not known. Three cases against three persons were pending at the end of the year. A sum of Rs. 172 was realized as fine and credited to the Board against Rs. 84-8-0 of last year.

Prevention and Suppression of Epidemics :- The Field was comparatively free from Epidemics. Small - pox which prevailed to some extent claimed

claimed 36 victims against 115 of last year. There were 3,835 attacks of Influenza with 183 deaths during the first quarter of the year under report. The epidemic was of a milder type compared with that of 1918-19. The death rate on the population basis was 2.2 per mile and on the incidence of attacks was 4.7 % compared with 19.3 per mile and 8.6 per cent respectively in the year 1918-19.

Rats and Dogs destroyed :- 68,625 rats and 1,505 dogs were destroyed during the year. The usual preventive measures were adopted.

Markets and Slaughter Houses :- The two Markets and Slaughter Houses at Robertsonpet and Steven's Camp were , as usual, worked with paid agency, the establishments costing Rs. 317 per - month.

Medical Relief :- Local Fund Dispensaries :- The attendance for the year at the Champion Reef General Dispensary was 17,837, the entire cost of establishment being met by the Sanitary Board.

Labour Cases 51

Midwives and Maternity :- The attendance at this Hospital was 16,759. The Sanitary Board paid a sum of Rs. 3,518 as 1/3 contribution towards the maintenance and establishment charges.

Labour Cases 544.

Sanitary Board Midwife and the

Sanitary Board Midwife and the Epidemic Diseases Hospital :- The Sanitary Board Mid-wife attended to 109 labour cases during the year. 291 cases were treated in the Epidemic Diseases Hospital. A sum of Rs. 11,917 was incurred by the Board towards the maintenance and establishment charges of this hospital and of the establishment charges of the Plague Preventive Staff. The increase over the Budget allotment is mainly due to enhanced cost of dieting charges and payment of Grain and War allowances t-hroughout the year.

Ayurvedic and Unani Dispensaries :- Nil.

Veterinary Dispensaries :- Nil.

Vaccination :- 10,011 persons were vaccinated during the year against 15,535 of last year of which 6,859 vaccinations were successful. The decrease in the number of vaccinations is due to the comparatively small number of Small - pox attacks during the year. The number of men vaccinated was 4,287 and that of women 5,724.

Inoculations :- There were no inoculations during the year.

Public convenience and other measures of Public utility :- The two chatrams viz. Khan Bahadur Fakrul Tujjar Hajee Ismail Sait's at Champion Reef and Loganatha Mudaliar's at Oorgaum and the first class Musafirkhana at Robertsonpet were maintained at a total cost of Rs. 362 and 2,619 travellers re-

resorted to them. A fee of Rs. 96 was realized during the year, as against Rs. 47 of last year.

Cattle shows and Exhibitions :- Nil.

Ferries :- Nil.

Cattle Pounds :- A sum of Rs. 1,533 was realized under this head and the expenditure amounted to Rs. 722.

Facilities afforded for improvement of breed of cattle:- Nil.

General :- The accounts of the Board up to the end of December 1919, were audited by the auditors of the Comptroller's Office.

The control of rice ~~continued~~ was the same as last year and the prices of the necessaries of life continued to rule high. The co-operation of the Non-Official members of the Sanitary and Mining Boards was hearty and willing and left nothing to be desired. The thanks of the Board are due to them and also to Messrs. Rajah Hanumappa Setty, Rafeeuddin and Abdul Rahiman, merchants, for importing and selling Burmah and boiled rice under the control of the Sanitary Board.

President,
Sanitary Board, Kolar Gold Field.

ordinary and two special meetings were held during the year. The attendance of the members was ~~on the whole~~ satisfactory.

3. Financial position:- The total income of the Board, together with the item of excise cess amounting to Rs 25383 credited in the accounts during the year, was Rs 1,11,629 against Rs 1,09,382 in 1918-19. The total demand for the year, including the arrears of previous years, was Rs 88,030, of which a sum of Rs 76735 was collected, leaving a balance of Rs 11,295. It is noticed that a sum of Rs 117 only is credited in the Treasury accounts under sanitary cess, while Rs 1026-10-0 is shown as collected in the D.C.B. Statement. An explanation for this discrepancy should be submitted. The arrears

under "House tax including Mohatarfa" amounted to Rs 8777 and a collection which leaves uncollected nearly half the demand, is unsatisfactory. The fluctuations under the heads call for no remarks.

The total expenditure for the year under service heads was Rs 99,884 against Rs 93,569 for the previous year. The expenditure includes an item of Rs 5000/- spent in connection with Peace celebrations in Dec^r last. The actual closing balance excluding the items under "Public debt" was Rs 40,064 against Rs 28199 in 1918-9.

4. Public Works. The total expenditure for original works and repairs was Rs 16,598 as against Rs 16,695 in 1918-19. Deducting the savings, the actual

lapse was 8221 or 32·2 per cent.

5. Public Health. Except for the prevalence of influenza in a mild form during the first quarter of the year under report, the public health was on the whole good. The number of births during the year and the total number to whom medical relief was afforded compare favorably with those of the previous year. There was a decrease in the number of vaccinations performed during the period by 5524 and the fall in the number of cases is attributed to the smaller number of small pox attacks.
